

LEBANON NEEDS US

Help feed the children of Lebanon.

Due to the severe economic situation in Lebanon that left 75% of Lebanon's population below the poverty level, the World Lebanese Cultural Union is heading a fund-raising campaign to provide food supplies to be distributed to Lebanese families in collaboration with the Lebanese Red Cross.

This is a time for all of us to join together to help alleviate the suffering of families who do not have enough money to buy food to feed their children.

100% of your donation will go to the Lebanese Red Cross to purchase food boxes which contain enough food to last a family of 5 one month.

No child should go hungry.

To donate, please mail a check to:
