

Message from the President of the World Lebanese Cultural Union.

On Christmas and New Year.

I am pleased to extend to you on behalf of the World Cultural Lebanese Union my warmest congratulations, wishing days of peace to all Lebanese, residents and expatriates.

Where independence is the basis of democracy, which is one of the conditions for a prosperous and stable social situation that we wish for our families, that Lebanon once again be a platform for freedom, heralding a promising future for a tomorrow full of love and faith.

We hope that the spirituality of Christmas will prevail in the country and its people, and that security and prosperity will prevail in our beloved Lebanon.

Best wishes this Christmas and New Year.
